🛍 WORK EXPERIENCE

WowVenues (Internship)

Location: Bangalore (Remote)

July 06 2023 - September 16 2023 **(2 Months)**

Achievements

- Worked as a Full Stack Developer intern at WowVenues**(wowvenues.in)**, a leading platform for event venue booking, contributing to the development of its web application.
- Collaborated with a dynamic team of developers to create an efficient and user-friendly platform for venue booking, enhancing the overall user experience.
- Utilized a diverse set of technologies, including React, HTML, CSS, Node.js, Nest.js, and PostgreSQL, to build and maintain various features of the application.
- Played a pivotal role in implementing and troubleshooting features such as Venues Searching, Adding Venues to Wishlist, Filter Venues, Adding reviews to Venues.
- Worked closely with senior developers to learn best practices in software development, ensuring code quality and maintainability.

Freelance Web Developer

June 01 2023 - July 03 2023 **(1 Months)**

- Successfully freelanced for 1 month, independently creating the "Its Street Coffee" official website **(itsstreetcoffee.com)**.
- Designed and developed the website with a focus on a captivating UI/UX design and achieved a strong SEO score.
- Utilized Next.js, React.js, Node.js, Mongo DB, and Tailwind CSS to build a high-performance, responsive web application.
- Applied SEO best practices, resulting in 30% increase of franchise sales by online visibility, on the Franchise page, and a surge in user engagement.
- Deployed **itsstreetcoffee.com** on the DigitalOcean platform, ensuring reliable hosting and performance.
